Siren Shelter

We are starting to accept donations for the Siren Shelter in Eaton County. Siren Shelter provides emergency shelter & support services to domestic violence survivors and homeless families. They said this year has been extremely busy and are in need of the following items: Toiletries (Toothbrushes, toothpaste, dental floss, soap, deodorant, shampoo, conditioner and hair brushes), Cleaning supplies, New and used linens (towels, washcloths, sheets and pillowcases), New or used winter clothing, Winter boots (adult and children). They did mention they have plenty of hats and gloves, so there isn't a need for those at this time. Please if your donating used items, make sure they are clean and in good shape. You can call the office at (517) 371-1101 to set up a drop off time for your donations or if your unable to make it to the office, we can pick up items from your home. Let us know if you have any other questions.

Note from the Office

Reminder starting January, 1 2022 there will be a \$5 lot rent increase. Also the new equipment in the gym seems to be a hit! We've had an increase in traffic, which is great to see. With winter weather heading our way, the treadmill and bike are good indoor alternatives. Try to bring an extra set of shoes so salt isn't being tracked into the gym.

The office will be closed the week of Dec. 27th for any in person visits and or appointments. Instead please call the office number (517) 371-1101 and Kelly will answer the calls between 9am-12pm. If its after 12pm and its **NOT** an emergency, please leave a message and you'll receive a call back the next business day. If it **IS** an emergency please follow the prompts for an emergency call and leave a message, someone will call you back usually within 30 mins.

Snow Plowing Information

It's that time of year again, when the snow begins to fall and needs to get removed from the roads. Here's some helpful reminders:

- * **Overnight parking on the road is not allowed, especially during or after a snow storm**
- * **During daytime snow fall events, please make an effort to park off roadways**
- * **Please do not approach the plow truck by car or in person, contact the office if you have a question or concerns**
- * **When shoveling or snow blowing your driveway please don't put snow back into the road, instead into your lawn**
- * **Ends of driveways may or may not get plowed by Cadgewith Farms, depends on the amount of snow received and the amount of time our maintenance crew has. This is done as a courtesy and can't be expected.**
- * **Any damages done to your lawn will be addressed in the spring**
