

### Presidents Letter

Greetings. Summer is here and we have activities galore. Current activities, plus others like water aerobics, outdoor shuffleboard, golf, community picnics and parades to name a few. Check community calendar on the Cadgewith Farms website, the newsletter, or on the Cadgewith Farms Community Face Book site. ~Dave Kops~

### Neighborhood Watch Letter

Neighborhood Watch needs your help. We have openings, and need some new patrol members. Neighborhood Watch is here for you, the residents of Cadgewith Farms. Daily patrols are for your safety, your property, delivery packages left on doorsteps, open garage doors and the like. Patrol members are not required to confront vandals, trespassers, or solicitors; any resident can and should respond to these situations by calling 911. We need your help if you want us to continue this valuable program. Call Dave Kops (acting coordinator) with questions at (616)638-0370. Thank You to our current patrol drivers and substitutes.

### Community Wide Garage Sale

This years sale will be held June 3rd from 9am-3pm. Also there will be a Friday night preview, June 2nd from 6pm-8pm. (Preview is for residents only) If you have any other questions, feel free to contact Pam Jackson (517) 881-0947

Did you know.... Cadgewith Farms is considered a public water supply?

What does this mean?

Cadgewith's drinking water is regulated by the state of Michigan Egle standards. Egle requires monthly and yearly testing of the wells at Cadgewith. Each month Cadgewith tests for bacteria indicators. Yearly tests are predetermined by Egle for different things. For more information on the water system and to view the 2022 water quality report please visit <https://www.cadgewithfarms.info/resident-info-> or stop in the office to pick up a copy.

### Memorial Day Parade & Cook out

**Monday May 29th at 1pm the parade will start. All golf carts, gators, antique cars, bicycles and regular cars are welcome. Decorations are welcome but not necessary. We will meet up in front of the clubhouse 12:30pm-12:45pm. Cook out to follow on back patio of clubhouse.**

### Capital Are Humane Society Collection

Pam Jackson is still collecting medicine bottles without labels and 10 cent returnable bottles/cans. Feel free to drop them off my breezeway at 316 St. Ives South or call (517) 881-0947.

### From The Office

With spring here and summer coming shortly, we wanted to touch base on a few things:

- The office will be closed July 3rd & 4th. In case of an Emergency please call the office number and follow the prompts to leave an emergency message and someone will give you a call back.
- We have stopped all reported tree issues for this year. Unfortunately the weather didn't cooperate as needed. If maintenance gets time, they will tackle some issues here and there. What didn't get done will get transferred to the 2024 tree list. Any emergency tree issues will get addressed. We apologize for this inconvenience.
- Yard signs that advertise a business can only be placed in the yard while your having work done. Once completed we ask that you remove them.
- If you happen to find mailbox keys left in a mailbox, please take a moment to write down the address before pulling them out. Feel free to drop the keys in our drop box in an envelope with house number or bring keys in during office hours.
- All residents, not just snowbirds should know where their water turn off valve is located in your yard in case of a water emergency/leak. If you unsure of where yours is, first speak with neighbors (most valves are inline with each other). If your still unable to locate call the office at (517) 371-1101 and let us know. Additionally when mowing, make sure to remove all dirt and grass so its visible

**TRASH WILL BE PICKED UP TUESDAY, MAY 30TH DUE TO MEMORIAL DAY BEING ON MONDAY THE 29TH.**
