

Presidents Letter

Hello again from snowy Cadgewith Farms. Hope the weather will take a turn for the better this month. I would like to thank Dale and all who helped serve and cook the pancake breakfast. I would like to encourage all residents to join the CFA (Cadgewith Farms Association) as we have new officers coming in shortly and we need new ideas for events. The CFA is only as strong as the people who come up with ideas and energy. Bingo is still going strong and the weight room is being used. Shuffleboard is available in the clubhouse basement for those who want to get in early shape for spring. The next CFA meeting will be in April.

~Respectfully Frank McBride President

Please bring an extra set of shoes to change into when going to the gym.

This will help prevent salt being brought in and puddles accumulating.

We've also put a clipboard on the windowsill in the gym. Please sign in when entering gym.

Note from the Office

Spring is just around the corner!! Hopefully it won't be long until those warmer and longer days arrive. On that note, we'll be mailing out the weed & feed cards in April. For those new to the community, Cadgewith Farms offers a one time application of weed and feed at no cost. This application is just weed & feed and doesn't contain any grub control and so on. If you want to be added to the weed & feed list, you'll just need to return the card to the office by the date on the card. So, keep an eye out for these come the beginning of April.

Facts about March

- March is name for the Roman god of wars Mars.
- March was originally at the beginning of the calendar year. It was changed to the 'New Style' or 'Gregorian Calendar' in 1752.
- March has two birthstones, which are aquamarine and bloodstone.
- There are approximately 10,000 three-leaf clovers for every 'Lucky' four-leaf clover.
- The leaves of four-leaf clovers are said to stand for faith, hope, love and luck.

Our maintenance crew has been chipping away at the tree trimming and tree issue list. They have quite a list and of course all work depends on the weather. If you have something to report in regards to trees, please contact the office asap (517) 371-1101. With that being said, hopefully mother nature cooperates. Thanks for your patience.

Home Title Information

We've recently come across some issues with home titles. So, we thought this article could be helpful.

- Do you know where your title is located? Have you let family know the location in the event that they needed to locate it?
- Who's name is on the title? You could save months out of probate court by properly titling your home, with a visit to the Secretary of States Office. Ex: If you have a trust, put the home in the trusts name; If you plan on leaving the home to family, add their names now to title and check the box for full rights to survivor;

If you have any title questions feel free to contact the office (517) 371-1101, we'd be more than happy
