### Garage Sale Update

With Covid numbers on the rise, it has been decided that we won't be having the community wide garage sales in June. Previous sales have brought in such large crowds to Cadgewith Farms, and we just can't chance it. Hopefully numbers will start to decline and we can possibly do some sort of sale later this summer or into fall.

### Pool News

As of now we are planning on opening memorial weekend. We've been in contact with the health department and the latest order calls for pool capacity to be at 50% and social distancing. So that will limit our pool to 25 bathers and Cadgewith Farms will provide antibacterial wipes. More details will be coming in next month's newsletter, which we'll have out before the holiday weekend.

### Resident Directory

We have updated sheets with new resident information and or phone number changes in the office if you'd like to pick up to add to your existing directory. You can call the office at (517) 371-1101 to coordinate a pick up time.

Reminder that golf carts are to be on roadways only, not on any lawns other than your own. We've already had a report and wanted to remind those with golf carts, before it becomes an issue.

## Neighborhood Watch News

We are looking for a couple of volunteers to do some evening patrols. If anyone is interested please contact me, Pam Jackson at (517) 881-0947. Being part of the team is a nice way to meet new neighbors, make new friends while keeping the community safe. Please if anyone sees something that doesn't look right, don't hesitate to call 911 and let the police look into the situation. Make sure if you do have to call, you give them as much information as possible.

## From the President

The golf league will start Monday, May 3rd at 10 am (Prairie Creek Golf Course). We'll continue with those tee times for now. Maybe come summer months that time will change. Remember this league is for both men and women. Also at this time there is no change for indoor activities. Any questions please call Frank at (517) 449-8935. Be safe.

Respectfully Frank McBride
