

Presidents Letter

Greetings, Welcome back to our Snow Birds. We had a nice crowd for our March breakfast. This month's breakfast will be held on April 8th . Join us for friendship and community. Our April Association meeting will be held on Thursday, April 13th at 7pm at the clubhouse. Check the sign if front of the clubhouse, the calendar on the Cadgewith Farms website, or the monthly newsletter for club activities and times.

Severe Weather

With the warmer weather approaching, comes the chance of severe weather. In the event that you need to take shelter, you have the option of using the clubhouse basement. To access the basement, you can follow the sidewalk around the east side of the building until you reach the first door on the backside of the clubhouse. There's a number lock on the door, that you must put in the combination to open. Then once inside, there's a stairway to lead you to the basement. Most residents are probably already aware, but we've had some new residents move in and thought it would be a good idea to send out a reminder. Also if you need the combination to the door lock, please call the office (517) 371-1101.

Community Wide Garage Sale

* This years Garage Sale is June 3rd, from 9am til 3pm, if you are going to have a garage sale please bring \$2 over to Pam Jackson 316 St. Ives South. Place the \$2 in an envelop with your name and address and place this into the paper box just outside the side door (between the house and garage). This gets your sale on the map so that treasure finders can find you. All the monies goes to the Association to pay for advertising. Now if the time to get ready for the garage sale. I will start collecting the envelops May 1st until June 1st ,this should give everyone time to get on the map. There will be a Friday night viewing for residents here at Cadgewith from 6pm til 8pm.
* Thanks, Pam Jackson

Neighborhood Watch

Thanks to Ron and Miki Scott for volunteering for a weekly patrol. We are still needing 2-3 drivers for our Neighborhood Watch Program. We need your help, please call or text: Dave Kops (acting coordinator) at 616-638-0370 or davidkopsrph@gmail.com for more information.

Randy Gilman's Memorial Service will be held in the clubhouse on Saturday, April 15th at 1pm for those that would like to attend

From The Office

We'd like to thank everyone for their patience while the office/clubhouse gets a much needed face lift. Our windows were over 30 years old, some non-working and far from energy/cost efficient. Not to mention the lack of insulation. We ask that you continue to be patient with us until this gets completed. If the front door is inaccessible, we have the side door (by the work out room)that has a door bell or you can use the code to come in. If that's not an option you can always give us a call (517) 371-1101. Again, Thank You!

Watch for the bright green weed & feed cards to arrive in the next couple days. Please return by April 21st or call the office if unable to make it to the office.

Dewitt Township offers a "Clean Sweep" program where you can go to the township building and get a free voucher to discard household refuse at Granger Waste Services. Voucher is good from April 28th through May 10th. Contact Dewitt Township for more details.

Lastly, reminder that our speed limit is 15mph. We've addressed this numerous times in the newsletters but we are still getting complaints of people not obeying the speed limit. So, once again please be courteous to your fellow neighbors and drive the speed limit. Also remind family and friends coming into the community.

Weed & Feed

You will be receiving a green postcard for the one free application of weed & feed that Cadgewith Farms provides. If you'd like to participate, please return the card to the office anytime by using the drop box located on the front door. If your unable to return the card, your more than welcome to call the office at (517) 371-1101 or send an email to Cadgewithfarm@gmail.com to be added to the list. If you are currently working with a lawn company or fertilize your own lawn , please do not have us do this application, as too much nitrogen on your lawn can kill the grass. We'll only be purchasing enough weed & feed to do the lawns that we've been notified to do, there won't be any extra left over.

Jake is hoping to start the end of April or beginning of May, just depends on the weather. Just a FYI, there isn't any markers put in the yard showing it was done and they won't come to the door to notify you. They start at one street/end of the park and continue until done.

Please have cards turned in by April 21th.
