

Presidents Letter

Hello everyone, I hope this finds you all well! September is almost here and that means election of new officers. If you would like to serve, call Frank McBride at 449-8935. We'll be electing four this year as one is a replacement for an officer who had to resign due to health issues. Thanks to Dale and all who helped make the Biscuit and Gravy breakfast a big success. The next breakfast will be pancakes, eggs, sausage and fruit and juice and coffee in September.

Please remember that the association is only as strong as the people who are in it, so volunteer and sign up for the election.

Respectfully Frank McBride

Hello SEPTEMBER

From The Office

Unfortunately do to little response in regards to the library, its been decided to only have puzzles and to move those puzzles up into the coat closet in the front of the clubhouse. Residents are welcome to come up to the clubhouse and look through the books & DVD's to see if there's anything that catches your eye. There will be no charge for any books or DVDS taken by residents. Whatever is left over will be sold at the Community Sale, Sept. 10th for 50 cents. Remaining items will be donated. The plan is to donate half the proceeds to the CFA and the remainder to buy more puzzles. We've also thought about hosting a puzzle exchange in January or February and we'd supply donuts and coffee.

Additionally the new directories will be ready to pick up the 1st week in September.

If you plan on coming to the office for either a directory or to look at the books & DVD's, Monday-Thursdays from 9am-12pm would be the best time and days, we usually work from home on Fridays. If you have any questions, please feel free to call the office at (517)371-1101.

Snowbird Reminders

With winter around the corner, we wanted to remind resident's of some import things:

- Please make sure your water shut off in your yard is marked either by a water stick or some other obvious marker
The office has a lockbox for house keys if you'd like to drop an extra key off incase of an emergency
Check with the office to see if your contact information is correct and up to date
Make sure to have your fall yard maintenance arranged before leaving
Call the office to schedule your water turn off, these are done M-F first thing in the morning

Pool will be closed starting Sept. 6th. It was so nice to see everyone using the pool and patio areas.

Now is a good time to locate and mark your water shut off in your yard while the weather is still nice. If you need a water stick stop in at the office.
