

WATERMELON LEMONADE SLUSHIE
THE PERFECT DRINK FOR ANY SUMMER PARTY

Level: Easy

Total: 3 hr 10 min

Prep: 5 min

Inactive: 3 hr

Cook: 5 min

Yield: 4 servings

Directions:

1. Place the watermelon in a single layer on a rimmed baking sheet, and freeze until completely frozen, like ice cubes, about 2 hours.
2. Meanwhile, cook the sugar and 1/2 cup water in a small saucepan over medium heat, stirring occasionally, until the sugar is completely melted, about 5 minutes. Turn off the heat, add the chopped basil and stir until completely wilted. Cool completely at room temperature at least 1 hour.
3. When the watermelon is completely frozen, put half in a blender. Strain the basil syrup into the blender, use the back of a wooden spoon or spatula to press down on the basil to extract as much flavor as possible and discard the basil. Add the lemon juice, and blend until the mixture is mostly smooth, pushing it down with a wooden spoon or spatula if needed. Add the remaining watermelon and continue to blend until the mixture is completely smooth.
4. Spoon the mixture into 4 short glasses (or wineglasses, if you want to be fancy). Garnish each with a basil leaf.

August Newsletter Contest... FIND THE GNOME

The rules for this game are simple. Somewhere on Cadgewith Property there is a mischievous Gnome in hiding. He has been spotted trespassing in several resident's gardens, and flower beds. We need your help to find him. Use the clues below to find out his location and bring him to the office, so the authorities can take him off our hands. The resident who finds the gnome and returns him to the office will win this month's gift card. (He is hidden in common areas and not in any residents yards)

HINTS:

1. He is near the place where it all begins.
2. Locate a thing which is green and we travel through it.
3. What has bark but no bite, that stays outside.
4. Look up to discover a home for worms, one you can eat with a star inside.
5. You will find the mischievous gnome located by the place where one keeps a spare.

July's Guessing Game Winner is...

AUGUST NEWSLETTER

Letter from the President: Ok Summer is HOT!! July was mostly dry and is not over yet. On a sad note, one of our past residents has passed away (Sue Wright), there will be a memorial for Sue on Sunday the 28th of July from 4-7 pm, at Cadgewith Farms clubhouse. Just a reminder for all of you who use the back flow preventers, make sure you take them off your outdoor faucets for the winter, as they could hold water and cause your frost free faucet to freeze up, it happened last winter to one of our residents. We now have a pizza dinner scheduled for the 14th of August, with a salad, dessert and some sort of entertainment. Contact Suzanne Phelps at 313-587-6732 or Sue Crawley at 517-749-7244 for tickets, they are \$4 each. A couple of residents have had some issues with the GFCI in the outside panel box that powers their garages and had to replace the power cable that runs from the power panel to the garage. Please be aware when landscaping around your garages. We plan to have a pancake breakfast in August but have not set up a date yet, watch the clubhouse sign for details.

Respectfully Frank McBride

Letter from the office: The annual management dinner/luncheon was a great turnout. I would like to thank everyone who was able to attend. We had roughly 150 residents join us for tacos and sides. The homemade blueberry pie was a big hit as usual. I can't wait to host again next year!!

Everyone needs to know that the road repairs and sewer cleaning will begin soon. Sewer cleaning will be in September down Cadgewith East. More information to come in next month's newsletter. Please be cautious when driving around these work trucks.

Those residents who walk their pets please **DO NOT** place dog poop in the mail trash cans. The mail man is becoming ill from the smell. These cans are not changed daily.

Neighborhood Watch: It's been a very good summer here at Cadgewith, but don't let your guard down. Remember if you see something that doesn't look right call 911 and have the police look into it. The patrols are out more and more, my team members are riding around in their golf carts along with the regular day/night personal. Keep up the good work gang! The more visible we are the safer the community is. Remember to close garage doors at night, turn outside light on to deter criminal activity and make sure windows are closed too. Open windows are an invite for criminals to come in.

A suggestion has come fourth in regard to the number of golf carts now on the property. The proposal is to have owners make a copy of their ownership papers and take a picture of their golf cart and have the neighborhood watch coordinator keep this on file. If you are interested, please contact me. This information is only used in case your cart is stolen. This way neighborhood watch would have that information on file. This is not mandatory, it is completely voluntary. The office will not be involved in this, only neighborhood watch.

Please let your guests know we have a **15mph** speed limit in our community, some guests think they can drive as fast as they want. The reality is we have residents out walking around, riding their bikes and golf carts. So please have them **SLOW DOWN!!!**
